

FIRST-TIMER TIPS

Area 14

North Florida Area Conference

Panel 73

Welcome to your first Area 14 North Florida Assembly. We are glad you are here and hope this information will help you find your way.

FRIDAY

Be sure to plan your dinner so you can attend the 8:00 PM Meeting. It's usually a service topic and a chance to begin meeting the other Assembly guests.

SATURDAY

So many things to see and do on Saturday, and they are all for you – We have a wide variety of workshops during the day, so no matter what area of service you are interested in, you should find something to your liking. As you visit other workshops you may find something new that catches your attention! We encourage you to expand your horizons by visiting different workshops over the next few assemblies.

SUNDAY

If you are a voting member, be sure you are seated at your District table by 9:00 AM for the Business Meeting.

Although we try to move along quickly, we need to finish by noon. We usually take a break half-way through the meeting.

Quick Tip! - Hotel meeting rooms tend to be cold—you might need a jacket.

Does the conversation sound like alphabet soup? Maybe this will help.

Service Coordinators – Area panel members who lead workshop on specific topics, like A.A. Literature or Carrying the Message into Prisons (Corrections).

Committee Chairs/Administrative Committees – We have 4 of these, Finance, Growth, Site & Agenda and Website.
