

## MEMBERS SERVICE JOURNEY

I got involved in service because my sponsor told me to! She took me to district meetings, and there was an immediate need for a treasurer for the district, so I took that position. I have also served in many positions in my home groups, including GSR.

I love service because I feel that I can make a difference and contribute to the common welfare of AA. My favorite position is that of DCM. It is challenging to interact with all of the GSRs and others in the district, but it is definitely worth the effort. I feel that we are building a strong team!

I have a service sponsor. I asked her to be my service sponsor because of her knowledge of service and her willingness to help others. I couldn't do this job without her!

I don't know what other service positions I will hold in the future, but I am open to opportunities as they arise.
