

# AREA 14 WEBSITE COMMITTEE NEEDS VOLUNTEERS TO HELP UPDATE OUR WEBSITE

## NEEDS

Working with our webmaster we have determined our website needs to be modernized in terms of looks and feel. There is a need to make the site more accessible on mobile devices. We will also need to work at making the site more navigable and remove superfluous pages. A committee is being formed to give the site a face lift and volunteers with website creation and modification experience are needed. Volunteer by emailing [webchair@aanorthflorida.org](mailto:webchair@aanorthflorida.org)
