**Budget Tips:**

1. -Consider attendance when planning workshops. Ideally, they should be at district level, and multiple districts where possible.
2. -Travel by the most cost-effective method and route.
3. -Purchase supplies and duplication wisely, at the most effective cost.
4. -Work within established budget, and request additional funds, when needed, from Finance Committee, before making purchases.
5. Try to use the Tax Exempt Certificate to defray the cost of expenses.
