

FIRST-TIMER TIPS

Area 14

North Florida Area Conference

Panel 67

Welcome to your first Area 14 North Florida Assembly. We are glad you are here and hope this information will help you find your way.

FRIDAY

Be sure to plan your dinner so you can attend the 8:00 PM Meeting. It's usually a service topic and a chance to begin meeting the other Assembly guests.

SATURDAY

So many things to see and do on Saturday, and they are all for you – On the back of the Agenda you received at Registration you will find a “heads up” on what's happening in each Workshop or meeting. This will help you decide where to go. It's been shared that little bits at a time are the best way to start, so it's not overwhelming.

SUNDAY

If you are a voting member, be sure you are seated at your District table by 9:00 AM for the Business Meeting.

Although we try to move along quickly, we need to finish by noon. We usually take a break half-way through the meeting.

Quick Tip! - Hotel meeting rooms tend to be cold—you might need a jacket.

Does the conversation sound like alphabet soup? Maybe this will help.

Service Coordinators – Area panel members who lead workshop on specific topics, like A.A. Literature or Carrying the Message into Prisons (Corrections).

Committee Chairs/Administrative Committees – We have 4 of these, Finance, Growth, Site & Agenda and Website.

Places to visit (See your Agenda for their location)
