You will receive an email confirming your registration. Only use this link if you will be attending the virtual portion of the assembly

**Please Note:** Unfortunately, at this assembly, we are unable to support voting for those dial-in telephone callers or flip phones

**IMPORTANT:**

- If you are a **DCM** who will attend virtually, you will need to gather a count of your voting members or have someone on site who does that for you. You can give your report from Zoom.
- If you are a **GSR**, you will need to advise your DCM ahead of time, **PRIOR TO SUNDAY 9:00 AM** that you plan to attend the business meeting and be sure you are signed into Zoom **PRIOR TO 9:00 AM**. This is so they will know to include you in the vote count.
- Once you are in the meeting there will not be a way to let the DCM know to include you in the vote count.
- Be sure you know how to use the **virtual raise hand** in Zoom and how to use **chat**. You will only be able to chat with the Zoom Host
  - To ask for technical help or general information, send chat to the Zoom Host
  - To comment or vote in the meetings raise your virtual hand.
