## **Tips for writing a clear Motion:**

1. A “Motion” is a formal proposal made by a voting member for the Assembly take certain action. A Motion begins the process of making any decision within the Area. The intent of your motion needs to be clear and concise.
2. If the motion is intended to be a part of Structures and Guidelines or to modify them, it should state this by stating "Modify Structures and Guidelines", and indicate the section to be changed.
3. If any funding or money is involved, the amount should be clear, “increase by \$10 for a total of \$50 a month or a year”.
4. The motion should indicate the timing associated with the information, if any, “for the year 2021 only” or “beginning Jan 2022” or “quarterly”.
