

WHAT'S IN THE WORKSHOP AND COMMITTEE MEETINGS

GSR ORIENTATION (Español) - For GSRs new and experienced. Pick up your Orientation Information. Learn about Assembly, which meeting to attend or Ask questions about being a GSR. Meet new friends!

ACCESSIBILITIES - We will discuss Accessibilities resources for Groups.

INTERGROUP - We plan to explore how Intergroups, and Districts collaborate with their boots on the ground efforts. Does one entity in your town have the lead? Do your groups exercise the power of the purse as your voice? Is there struggle between your District and Intergroup with "Double Headed Management"? What does the Spirit of Rotation look like in your District and Intergroup? Is the purpose and mission of each entity clear? Are you organized to serve, or has it slipped into being organized to govern?

PUBLIC INFORMATION - The PI workshop will be on "What is PI and how do I help?"

COOPERATION WITH PROFESSIONAL COMMUNITY - We will discuss the aa.org website link To The Professionals and see how we can use this resource to further our outreach to Professionals. CPC volunteers are sought to participate in the Florida Alcohol and Drug Abuse Assn. (FADAA) annual Florida Behavioral Health Conference on August 18 – 20, 2021 in Orlando.

CORRECTIONS - We will begin with a speaker who has dedicated many hours of his 12th step life to bringing meetings into our jails. We will then progress to sharing ideas as how do we start a Correction committee within our district; how to reach specific decision makers within the prison system that will allow AA meetings in the jails; and how do we attract more volunteers to the correction committee?

OVERSIGHT COMMITTEE - We will continue to hear reports for the upcoming 64th Florida State Convention. The convention will be held in Jacksonville August 5-8. This event is a great opportunity for the members of fellowship to gather together and celebrate sobriety.

TREATMENT - Where are we with carrying the message into our treatment centers? What problems have we encountered? Please come and share success stories. Are there any Districts that have inpatient DOC? outsourced treatment programs. (Phoenix House, for example) What is your experience with the overlap of Corrections and Treatment.

SERVICE MANUAL -The Service Manual is our guide to the General Service Structure, from the group down the triangle to the General Service Conference and General Service Board. Why is the triangle upside down? Come find out!

GROWTH ADMINISTRATIVE COMMITTEE - Our Growth committee meeting will review the current progress of the project to produce the narrative boundaries for the North Florida Area 14 Districts. We will also consider the outcome of the GSC agenda item from Policy and Admissions to recognize online groups and provide for and encourage their participation in general service.

SITE AND AGENDA ADMINISTRATIVE COMMITTEE – We have signed a contract with Mission Inn Resort on April 26, 2021, for the 2023-24 years as voted on by the Assembly. Let us review the signed contract.

GSR WORKSHOP – A responsibility of a GSR is to support the Delegate. Introduce our Delegate, what does she need from us? Another responsibility of a GSR is to carry the message from the Area to your Group. And from the Group to the Area. Our main goal – “Learning how to make motions that effect change at the Area”
Part 3 of 4, July: How to create a Motion, Picking an Administrative Committee, the Life Cycle of a Motion. Come to the floor, A mock trial: What motion(s) will you create to effect change at the Area.
Part 4 of 4, October: Go live, Present your motion to an Administrative Committee or at the Business Meeting on Sunday.
