

NORTH FLORIDA COMMITTEE A. A.

Ocala, Fla.

July 22nd, 1967

TO All Members North Florida committee

The last meeting of the North Florida Committee of A. A. was held in St. Augustine on July 9th, at the home of member, Dave C [REDACTED].

Those members of the committee in attendance were; Harry G [REDACTED], Delegate, Bert L [REDACTED], Dave C [REDACTED], Travis P [REDACTED], Sam I [REDACTED], Joe M [REDACTED], Earl M [REDACTED], Jess P [REDACTED]; also, several General Service Representatives.

In order of business; the committee voted to request the general service office, to mail cards for All groups, for listing in the world directory for 1968, to the chairman of the committee, when these are received by the chairman, which should in late October or early November; the cards for each district will be given to the committee man or woman for that district for proper return. In this manner of handling, it is hoped to have an accurate listing in the next world directory; deleting any inactive groups and also ~~fixing~~ addition of correct information for all groups and also listing of any groups who may have been erroneously omitted this year.

Also it was moved and passed to have the next North Florida Annual conference held between the dates of September 15th and November 15th of next year; also to have this and future conferences held within these dates of the year; also to remove the direction of the Annual conference from the hands of the committee and place this in the direction of a committee of Trustees; the number of Trustees to be seven; one from each district in the North Florida conference. As was discussed at this meeting; it is requested that each committee member, work this ~~matter~~ matter out with the groups and members in your area and select a ~~prospective~~ prospective member for this committee, who will be willing and able to serve in this capacity of service and arrange to bring them with you to our next called meeting of the North Florida committee, which will be held in October, so that final plans in this connection can be worked out in due time. You will remember that, although there are two members of the North Florida committee from the district which comprises the Jacksonville Area; there will only be one member of the conference trustee committee; so Travis and Sam will work on the selection for that area together. If there are any questions concerning this; please advise.

sincerely in A. A.

Bert
