FLORIDA, NOVEMBER 8, 1970 AT 2:00 P. M.

At this meeting the committee members and general service representatives, in attendance, elected a new delegate and chairman to serve our area for the next two years. They are Sam I [REDACTED], delegate and Earl M [REDACTED], chairman. We also endorsed South Florida Area's election of Wesley P [REDACTED] for candidate for nomination to the office of trustee for the thirteen Southeastern United States.

The districts present chose their committee members to represent them. They are, so far -

District 1:	Buck R [REDACTED] and Bill B [REDACTED]
District 3:	Dave C [REDACTED]
District 4:	Bert I [REDACTED]
District 7:	Barbara S [REDACTED]-N [REDACTED]

Those groups which have not as yet elected their general service representatives to serve them for the coming two years, please do so. Let me know their name, group serving and their mailing address. This is a good time to remind you that if you have not as yet mailed your group information card to the New York office, then DO. It is needed for listing in our World Directory. We need to keep open and clear the communication lines among ourselves and to make sure that the hand of AA is always there for the alcoholic who still suffers.

Sincerely,

Barbara S [REDACTED]-N [REDACTED],  
Secretary.
