2. Preliminary presentation on the progress of Area 14's "Guidelines for the Assembly."
3. Consideration of enhancing past-delegart participation by allowing a vote sat the assembly.
4. Present the finalized 1992 balanced budget.

Meeting adjourned at 2:55 p.m.

FROM THE CHAIRMAN

A cost efficient and smoothly run January Assembly was the result of the combined efforts of the hosting districts.

Improvement, however, can be made in how we make our room reservations. As you know, Area 14 contracted with the hotel to rent a minimum of 150 rooms for Friday and Saturday nights. By meeting this obligation, our area is not charged the \$1,000 for the Conference Center as well as receiving one complimentary room for each 25 rooms booked.

Even, though, the hotel was full, NFACAA was only credited with 113 rooms. I realize that senior rates and other package plans are less than the \$46.00 Conference Room Rate. I encourage your cooperation, in the spirit of the Seventh Tradition, to register early and as a NFACAA ATTENDEE. The hotel is working with us and no additional charges were assessed for the January Assembly. Again, I urge your support.

I would like to invite you to attend the 10:00 p.m. Officers Forum on Saturday night. Unity through communication will be enhanced by placing an Ask-It-Basket at the registration desk for your convenience. See you in April...

Recovery in Service,

Dan E. (cm), Chairman, NFACAA

TREASURER: (Ken R)

This report contains year-end totals:

Total expense \$27,00 (Up from last year). An accomplishment in that we have just completed a full year of fully reimbursing all officers and committee chairs.

Group contributions \$17,000 (Group contributions are down-- last year was \$18,139)

Total income is up by about \$2,000; with total for the year at \$28,000 (Extraordinary contributions.)

Please note that D-8 is listed twice as expense and income \$594.34. This was for coffee the NFACAA paid for Friday night coffee in October (Daytona Beach) and was paid by by D-8.

Duplication expense as it is shown on this report is somewhat higher than usual duplication and supplies(\$1,092) Up substantially. We have lumped 2nd and 3rd quarters together to show all expenses to meet 12/31 financial report deadline. The last minutes were much more comprehensive.

We voted to have these reports desired to increase, communication, and with that comes increased cost.

Fidelity bond insurance of \$200 was paid for treasurer bonding.

Total for quarter expense of \$4898, income ahead about \$1,000.

Special credit to Districts 19, 25, 12, 13, 30 who gave their excess funds to assembly.

Corrine is alt. chair. Courtney H. has consented to be alternate treasurer.

Thanks to the Finance Committee who put a lot of research, thought into the developing of the financial budget guidelines. (This involved the highest level of consciousness and resolve.)

Transferred \$1,00 to prudent reserves to get that to \$18,400, to try and match last year's total group contributions of \$18,139.626.

Checking account balance is \$6262.73.

Joan E. our past treasurer and a CPA will do an audit at the beginning of year, and will prepare a tax statement to enable us to retain our tax exempt status. (Spirituality and money can mix in AA basket.)

Recognition of Panel Members; Bob S. Delegate 1985 - Panel 35 and Jimmy G. Delegate 89 -- Panel 39.

A moment of silence for Phyllis D., former NFACAA Secretary, passed away in November, and Lou S. (Anita C. made the sad announcements.)

DELEGATE: (Tom D.)

Handouts - (Attachment A -- "Conference Workshop" Questionnaire) Tom Duffy asked that these forms be completed and returned to him for transmission to GSO in April.

Handouts - (Attachment B -- "Bridging the Gap" proposals) Bob V. asked that this material be included in the minutes for consideration.

It was learned through our Recording Secretary, Fred Walker, that individuals may obtain lists of AA members by calling GSO and requesting them. We would like to address this issue and the following motion was suggested in the DCM meeting yesterday to that end.

Motion -- "Propose that NFACAA request our delegate, Tom D , write GSO to request that office action be implemented to discontinue the practice of distributing our mailing lists to persons who request it. And to initiate a conference action if necessary. Further, that lists be sent to delegate for him to distribute to individuals who have made such a request."

A call for the minority view resulted in Sherry B , who commented on the fact that no rosters of DCM's/GSR's for NFCAA have been made available in the last 3 years. Would like this service restored. She has no objection to the labels being provided or their availability thru GSO.

Roger P. announced Florida State Convention July 22-26, 1992 PGA National Resort & Spa, Palm Beach Gardens, Florida, (407/627-2000 or (800)633-9150. Dan E. asked that DCM's consider putting on their agendas a 2-3 min. presentation on the difference between a conference and convention.

Roger P. has asked this assembly for a mailing list. I would like to ask Claire to read the motion as it was stated in the DCM meeting..."That NFACAA labels be made available to state convention committee, with the under that confidentiality will be respected. Dan E. added that this would be a one time thing. Motion, seconded, carried. (No discussion).

Committee Reports: (Alt. Chair, Corrine F. presided.)

ARCHIVES - Marie B , Chair: (# 35)

Chair explained purpose of archives regarding the history of AA in Florida with knowledge of Jacksonville and Ocala AA. Earliest records for NFACAA are March of 1963. Recent acquisitions were announced. Requested help in obtaining interviews from oldtimers, past delegates. Received "Marking" pamphlet from GSO.

ACCESSIBILITIES - Brian S , Chair: (# 40)

"Unity Through Communication" for deaf alcoholics as well as those with learning disorders and how their communications are presently being constrained. A review of actions taken since the last assembly included a workshop in Kissimmee and an article soon to appear in the Grapevine regarding accessibilities. A fourth area of Accessibilities -- learning disorders -- which concentrates on illiterate and dyslexic alcoholics.

Suggestions were made to make tapes available including speaker tapes, Big Book tapes taking care not to violate Traditions. Being sensitive to those who suffer from this limitation was strongly suggested. The last part of the

meeting discussed the difficulties deaf alcoholics encounter and the need to establish a permanent signer/translator at the assemblies.

Consider translating assemblies schedule into Braille for our blind friends. Wheelchair bound persons have great difficulty using the facilities. The meeting closed with the Lord's prayer illustrated in sign language "See you in April."

COOPERATION WITH PROFESSIONAL COMMUNITY - Anita C (#)

New CPC chair in NY is Valeria D'N. NY has added new materials to the CPC workbook. Workbooks (available to chairpeople) may be ordered from NY at a price of \$7.00, along with 200 copies of the paper "Information on AA" and the newsletter for Professionals about AA.

An outline for CPC service workers to concentrate on in the 90's was reviewed. Rosters & other handouts were available.

Sharing session revealed that; (A) Joe S., Brevard has given 60 presentations this year to a total of 350 professionals. This district has the "adopt a doc" program in their 4 local hospitals (B) Tim, D-14 is sending information and making phone calls to boost communications. D-14 is concerned about the lack of meetings for young people. A suggestion was made to start a temporary sponsor program for young people. (C) Vick Z., D-9 has been active in making presentations to corrections facilities & treatment center staffs and professional conventions. (D) Azubah D-9 shared her experiences with CPC presentations as well as Al Aon cooperation. (E) Joe S. shared on Al-A-Teen cooperation. (F) John D-28 is working with shelters for the homeless. A CPC workshop will be held Jan. 18th in Brooksville. Anita mentioned the need to remember minorities & clergy. Bernice D-5 is working with migrant workers and clergy.

CORRECTIONS, Bernie Tatro (# 80)

Minutes from last assembly read. Address of NA was given so volunteers could pass on to addicts in prison AA meetings. to insure our singleness of purpose. Helen T , new corrections person at GSD.

Discussed danger of AA changing to "substance Abuse" as termed inside facilities. If an AA group in NF is registered in NY by # Fred W will send minutes of assembly if requested. Bob V did "Bridge the Gap" presentation. NY is updating mailing list for correspondence service, notify NY to change address. N/S FL corrections workshop planned for May 23rd Sa. 11 a.m Edgewater Community Center. Motion to change \$400 allotted

for inmates to attend State Convention to be used for operating fund for committee, seconded, passed.

GSR MEETING, Chair Joyce B (# 208)

Agenda for General Assembly discussed. GSO kit for the GSR and its enclosure, handouts for Ask-It-Basket, What Makes an AA Leader, Group Inventory (from the AA group revised), the GSR relation to Group, District and General Service, chart of motions, group information change form. Question and answer session. Jerry shared on service and Box 459. Bill shared on LCM.

GRAPEVINE, Chair, Bernice D (# 28)

Theme -- Introduction to Grapevine. Beth G. introduced as new alternate chairperson. Discussed what was available from Grapevine, new tapes, old grapevines, cartoon, etc. If district orders more than \$50 there is a 10% discount. Last year there were 60 GVR's and so far this year has increased to 95. Bernice challenged NFACAA to have 300 GVR's by the end of the year. A discussion followed about sharing Grapevine issues.

INTERGROUP, Chair, Howard S (# 72)

Theme -- Communications -- Tom D gave report regarding intergroup communications with districts. Roger P. presented state convention information and asked for the individual intergroups help. Fred W talked about intergroup mailing addresses. Discussion regarding cost of social functions. Discussion on how to increase donations. (a) ask groups to have raffles. b) communicate with groups (c) moment of silence during basket d) increase from \$1 to \$2. "What is a fundraiser within AA principles; sell within or without AA -- no. We also covered more of 20 original questions leaving 14."

Public Information, Pat R (#97)

Pat introduced herself as the new PI chair and introduced Ingrid. She explained how structure goes from group level to GSO, what PI does, Tradition 11,6,12 read, read from Concepts P. S55 Communications checklist. Spoke to the difficulty of bringing message to group. Importance of workbook.

PI to assist districts; how done in Orlando; majority of speakers calls from schools -- goal to get students comfortable with AA. Video's -- Inside AA, Hope, Young People in AA. Put Big Book and Staying Sober in school library - videos in media center. Shirley M. shared experience of getting into senior citizens centers. Pat explained handouts. Asked for volunteers for next assembly.

Question and answer period. Communication within AA - intergroupers from other towns - how we list in our intergroups. Suggestion for more participation from other groups.

Treatment Facilities Committee, Robert V (#92)

The chair thanks all for their patience, hard work and enthusiasm. There has been a rapid growth in the numbers of TF committees since Jan 1991. Some are in the formative stages, some well structured. BTG April 9 target date will be 80% fulfilled. Thanked Central Florida Intergroup for offering to be the contact point for the North Florida Area. The number of contact points has grown to 46 across the nation in less than one year.

Described the TC program and its similarities to the previous programs introduced in past years. BTG is different only because of the tremendous influx to AA today from Treatment Facilities (68% of all new members). Question and answer period.

Mark R gave a presentation following Q & A on three proposals (See attachment B) on BTG. They will be included in the minutes for all GSR's to discuss with their home group for recommendation in April.

Secretary-Treasurer's Meeting: (30) Bill R. Chaired

Questions: 1) Can district Secy/Treas. position be filled by 1 person? (Group conscious matter). 1A) Member in a position for years, not rotating out 2) What is best way to take notes at GSR District meetings? (Tape recorder if group conscious approves; main points otherwise, have committees hand in written reports) (3) How to motivate groups to distribute funds to AA, district? (Pamphlet; read letter from N.Y requesting funds, discuss where money goes when basket is passed at each meeting; have budget to take to groups to show where money goes; DCM talks to groups (4) Lack of involvement in committees at group level. [Have DCM talk to groups] DCM puts out list every 3 mos. of who contributed, how much to what, "extra money" can be passed around when NY needs more; treas. takes responsibility of reminding groups of money needs and obligations, workshops on where money goes.)

Talk to groups about spirit of rotation (longest term = 2 years).

Serve one group to focus energy.

Getting people involved - ask for help, we rarely volunteer; talk about service work.

Need for communication between members rotating in and out -- offer help and ask for help.

Length of sobriety for trusted servants. Depends on structure of group, quality of sobriety, type of position. Need for quarterly sec/treas meeting? (Suggested alternating groups and GSR's.)

Growth Committee (22) Tom D , Chair:

Growth management -- theme: Gary C D18 discussed how they decided on LCM -- checked geographical areas in district meeting -- divided the district into 4 areas at district meeting and had those groups vote on an LCM for their area. The LCMs are visiting those groups with little or no regular representation found that some of those groups wanted it that way. Currently the LCMs give a report at the regular district meeting. No separate meeting at this time from LCMS, GSRS, LCMS or DCMS. Important thing is to be able to effectively communicate with the groups. Bob D13 asks where do you get an LCM Gary D18 said they are getting their LCMs from current GSRs in the district. That way they already have a vote at area level and regularly attend assembly, and does not add more people to area assembly attendance. Currently the LCM has no vote at area level unless a present GSR. D12, Bill C is doing something similar. They are adding alternate DCMS rather than calling them LCMS.

The districts who are implementing the LCM alternate DCM programs feel this is a better more effective path to communication with the groups. This hopefully will keep lack of information to the groups from becoming a problem.

Central Site Selection Committee, Corrine F , Chair (13)

Chairman to contact hotels for future assemblies 94-95.
Bernice I - 15 DCMS on the committee.

Hosting Districts are:

Jan - D9,10,11,18
April Dis 20,3,4,5
July D 19,10,11,12
Oct. D 5,6,13

Host District for July needed - guidelines for hosting and expenses will be available to hosting districts from this committee. Discussed funding Saturday speaker expenses by assembly if not a funded GSR, DCM or officer. Discussion to be continued at officers meeting except trustee who speaks January meeting every other year. Agenda of assemblies has been prepared for the next 2 years rotating times for each committee.

Financial Committee, Ken R , (5):

Review of Budget — The group discussed the sample of the budget making changes to several items and the guidelines for the budget and its flexibility for presentation to the Assembly Sunday morning. Suggested that the expenditures be available in notebook for review at the podium before each Assembly. Suggested \$1,000 in petty cash for miscellaneous items necessary for conducting business. Suggested a "signer" "\$50.00" per assembly. Judy has the old Commodore 128 computer to be sold. Suggested that a "procedure" for making requests for money be established.

NORTH FLORIDA AREA CONFERENCE OF ALCOHOLICS ANONYMOUS BUDGET PROPOSAL FOR 1992:

North Florida Area Conference Budget Proposal for 1992 (note 1) -- See pp.18-23 of October minutes:

(Please note: I shall list the categories using the figures in the right-hand column, i.e. Delegate \$3,000. Also, minority opinions were all expressed en toto, following the line by line addressing of each item. There was discussion on every point.)

(1) Delegate - \$3,000 -- Motion made, seconded, carried.

(2) Intergroup Seminar - \$600.00 -- Motion made, seconded, carried.

(3) Delegates Meeting - (An appropriation proposal)

Motion made, seconded, amended to read "An appropriation ought to be considered for the next (panel 42) to attend the seminar for newly elected delegates. This is attended by past Southeast Region delegates to "12th step" then on what to expect and how to conduct business at the General Service Conference. Past delegates pay their own expenses. In 1991 held in Atlanta on Feb. 8,9,10."

(Feb. 8,9,10 1992 meeting cost \$400.)

Passed as amended.

(4) General Service Conference - \$1600 - Motion made, seconded, carried.

(5) Alternate Delegate \$1346 -- Motion made, seconded, amended to move lines (Page 19) 1-3 from this category and to include in the next category (\$3,213.00). And, to move lines 9-11 to Delegates' meeting (page 18). Discussion -- Page S-72 of Service Manual was referred to point to importance of Alt Del and his/her role. Question called: motion carried.

Minority Opinion - Marie B - Expressed concern that \$2,000 over operating budget will not be met. Suggested that Alternates are instead of, not in addition to, and that only the Delegate attend.

(Expense left in this category is \$490)

(6) Chairman, Alternate Chairman, Recording Secretary, Corresponding Secretary, Treasurer, — Total Officers Expenses \$3,213.00:

- a. Chairman \$209.42
- b. Alt. Del \$436
- c. Alt. Chair \$265.58
- d. Recording Secretary \$3042 -- increased duplication & supplies (note 3) from \$403 to \$3042.
- e. Corresponding secretary \$736.
- f. Treas. \$1456 — increased duplications & supplies from \$280.00 \$600.00

A motion was made, seconded, question called, amended (see above list a-f) passed. Total appropriation passed came to \$6,145.

(7) Accessibilities -- motion made, seconded discussion, question called, voted -- carried. (Note \$225 for booklets one time cost. (Claire listen to tape to re-check this)0

(8) Archives \$355-- motion made, seconded carried.

(9) Cooperation with Professional Community -- motion made, seconded carried.

(10) Corrections \$989-- Show (*) \$400 for in mate per diem for Florida state Convention be used to special projects. Motion made, amended to show (*), passed.

(11) Grapevine \$2324-- motion made, seconded carried.

(12) Intergroup \$328-- motion made, seconded carried

(13) Public Information \$856 -- motion made, seconded, carried

(14) Treatment Facilities \$1016 -- motion made, seconded, discussion; amended to removed \$391 for lines (9-12) --Bob V. attended 1991; vote on amendment, amendment fails, original motion carried.

(15) Growth Committee -- \$299 -- Not needed; Tom D pays his own way.

(16) Site Selection Committee -- n/a

(17) Financial Committee n/a

(18) Library Fund n/a/

-17-

Total Committee Expenses

(19) Officers' meeting \$60 motion carried, seconded passed.

(20) Assembly costs -- \$6124 Motion made, seconded amended
to include a singer for \$200

Minority Opinions:

Dennis feels that minority opinions should have been part of
the line by line addressing of costs rather than be at the
end of the report.

Others:

Elizabeth - "Bridge the Gap \$300 + budgeted. What if the
meeting is in Brussels one year?"

What happens if we go over or under budget?

Jake asked the proper name of our assembly/conference -- It
is the North Florida Area Conference of Alcoholics
Anonymous.

Corrine F. -- A "Thank you" to D9,10,11,18 for their fine
work as host committees. Please return name tags for use at
next meeting. Adjourned with the Lord's Prayer.

I regret that the minutes did not go out on February 20th as
planned. I have been very sick, and was unable to meet the
deadline.

CONFERENCE WORKSHOP

1. What message is the group and its members giving the newcomer when she or he arrives?
2. Why are so many oldtimers leaving A.A.?
3. How does the group stay focused on our A.A. message while being faced with many kinds of "outside influences", such as treatment facilities, other "recovery" literature, open discussion meetings in which non-A.A.s share, etc.?
4. What can be done to make sure that the hand of A.A. is still there for our children and grandchildren who might have a problem with alcohol?
5. Are we as groups extending the hand of A.A. to all who suffer from alcoholism - minorities, handicapped, different cultures, etc.?

Past Chair, So MN Area 36 TFC
"Acting" WWTCP Coordinator

November 16, 1991

Dear A.A. Friend,

It is my hope that the following proposals be made by our Southern Minnesota Area 36 Conference Delegate, to the General Service Conference for their consideration in April 1992. It is also my hope that there be adequate support for these proposals for the Conference to take action. Please review them and pass your thoughts along to your Conference Delegate if you feel so inclined.

In the way of background, I have introduced these subjects for discussion at recent General Service Trustee's TF Committee Meetings. It was agreed that any action best come from the Conference, so here we are. If you want any further background on these proposals please feel free to call me at 612/942-0884.

Yours In Service,

Terry L.
Committee Member
Trustee's TF Committee

Proposal #3:

Consider the need for a "Bridging The Gap" pamphlet to help support the efforts of AA's working in Corrections, and on Corrections or Institutions Committees.

Background:

The recently published pamphlet "Bridging The Gap" has been very well received by AA and is proving to be a very helpful tool for AA's working on Treatment, Institutions and H&I Committees.

Many AA's working on Corrections, Institutions and H&I Committees consider they also are doing "Bridging The Gap" work and have had "Pre-Release Contact Programs" in place for some time. Some have expressed the need for a similar tool to help support their service work. It may also be possible to revise the new "Bridging The Gap" pamphlet published by AAWS to include information appropriate to their service committee work.

Proposal #1:

The A.A. General Service Office act as the coordinating contact point for A.A. treatment temporary contact programs and corrections pre-release contact programs. The role of "Coordinating Contact Point" may be considered to include the following:

1. Receive and refer requests for AA contacts (for patients or inmates).
 - a. Referring requests to "Contact Points" for established AA contact programs in the appropriate geography, wherever possible.
 - b. Assist in finding AA contacts for requests only in geographies that do not have established contact programs with known "Contact points".
2. Maintain and distribute a list of AA "Contact Points" for established AA contact programs wishing to participate in the "network" or "connection" of AA contact programs. Today, among many AA Treatment, Corrections, H&I, etc. service committees, this network is commonly referred to as the "WorldWide Temporary Contact Program" - "WWTCP".

The list of "Contact Points" to be distributed to all known contact points as often as the list is updated with new information. It may also be distributed to service committee chairs with need for the information (TF, CF, CPC, PI, BTG,...)

Background:

This coordination activity is currently being performed by an individual AA member and helpers informally known as the "WWTCP". "WWTCP" has continually provided GSO with copies of all information. These AA members are willing to relinquish all responsibility and information to GSO based on any conference action or recommendation.

There are currently 47 "Contact Points" representing 24 States and 27 General Service Areas in the U.S. and Canada. Some are Treatment Temporary Contact programs, some are Corrections Pre-Release Contact Programs and some arrange contacts for anyone in any kind of an institution or facility. Some are coordinated by GS Area Committees or District Committees and some by Intergroups and still others are "independent" Bridging The Gap or H&I Committees.

The coordinator sends a copy of the list of known "Contact Points" to all known contact points as new information becomes available. The respective contact points use the list of Contact Points to transfer a request for a contact out of their own geography or outside of the scope of their committee responsibility, such as treatment to corrections.

This service seems to be of value to those participating. Coordination by GSO would lead to increased participation and improved coverage of geographies, as well as insuring continued availability of the service.

Proposal #2:

The General Service Conference consider hosting an annual event in the form of a workshop, forum or conference, for the express purpose of sharing information and experiences related to AA efforts in "Bridging The Gap" between treatment facilities and/or correctional facilities. The coordination of the event could be through one or more of the Conference and Trustee's committees.

The attendees and participants are to be primarily AA members and AA service committee members, and it is to be conducted within the spirit of AA's Twelve Traditions. All expenses of the event should be borne by the participants through registration and contributions.

Background:

An activity of this description was held in Des Moines on the weekend of September 20-22, 1991. (It was called the WWBTGWW). The purpose of the weekend was for AA's to share their experiences in doing 12th Step work to specifically help new members bridge the "Gap" between treatment and correctional institutions, and their membership in Alcoholics Anonymous.

Invitation flyers were sent to over 400 AA's in the US and Canada, who were identified as having some involvement or interest in service committee work focused on carrying the AA message into institutions. Registrations came from 16 States from as far away as Oregon, Florida, Maryland and Arizona. There were representatives from 19 General Service Areas and 8 Intergroup/Central Offices in attendance.

Of the 97 participants, approximately 80 were currently serving on some type of service committee. There were varied degrees of experience and many came to learn how to get started. Although the greatest number of participants came from General Service Treatment Facilities Committees, many other AA services were represented. There were members from the Trustee and Conference Treatment Facilities Committees, Conference Delegates from 3 General Service Areas, Area Chairs and DCMs as well as Area and District chairs and members for Treatment, Corrections, Bridging The Gap, Hospitals and Institutions, and Cooperation with the Professional Community Committees.

The workshop opened at 7:30pm on Friday and closed at Noon on Sunday. The sessions ended each night around 11:00pm. A hospitality room was available for continued discussions. There were over 30 presentations, most of which were ten to fifteen minutes long. A short period for sharing and questions followed each talk. The presenters were AA's from all over who had offered to talk about how Bridging The Gap 12 Step work was being done in their areas in the form of BTG Committees, Temporary Contact Programs and AA Information Presentations and so on.

A detailed, written report of the workshop was compiled and distributed to all participants. All sessions were recorded and are available cassette tapes. Also, all participants were invited to bring materials used in their BTG work to be displayed and then

Background: (continued)

included in a "Resources Library". An index of library materials was compiled and distributed. Self-Support contributions for printing and postage are requested for providing materials from the Resources Library.

In accordance with AA's Seventh Tradition, the coordination and weekend expenses were financed by the suggested/voluntary registration of \$20.00 and other miscellaneous contributions from Alcoholics Anonymous members. Local Des Moines area AA's handled all hospitality, making coffee and registration.

The group of attendees agreed that this should be an annual event and scheduled the second annual "open meeting" and workshop weekend to be in Des Moines, September 18-20, 1992.

There is apparently a need and desire on the part of Alcoholics Anonymous as a whole based on the participation. The majority of those attending had the full commitment and financial support of their respective GS Areas, Districts, etc.. Some were on their own.

However, many others did not attend as they were unable to communicate the anticipated value of this experience nor could they explain the relationship of the activity to AA's General Service, to the AA's they were responsible to in their service activity. The typical questions were "Is GSO sponsoring this?" or "Is this Conference Approved".

The answer is of course was no. A Conference action to host this type of event will help to expand the participation and the sharing of experience in the next workshop. The greater sharing of experience will increase support for contact programs and 12th Step work in general.

Implementation Suggestions:

As this event is designed to serve CF, TF, H&I, CPC, and other service committees a subcommittee comprised of members from several Conference and Trustees Committees may be most effective.

For example, the subcommittee chair might be from the International & Regional Forums Committee and the primary members might be chosen from CF, TF and CPC. The role of the subcommittee should include coordination, oversight and organization. The actual event could be hosted by service committee members from the "Host Location".

The Bridging The Gap Workshop Weekend is currently coordinated by a few individual AA members. These members are ready and willing to transfer the coordination and organization to a Conference appointed committee. They are also willing to continue to participate in whatever role the conference deems appropriate.

Delegate Report:

The reason for the seminar is to establish and improve communications between AA members, group areas, and the service boards of the intergroup or central office, to help us all to better carry the message. Much of the weekend was devoted to the overall concern of both GSO and intergroups to be in better contact with each other.

1. "Volunteers - We Can't Do Without Them."

This was the first session I attended. Many good suggestions were shared about the volunteers and getting the message of needs back to the groups. (Personal note: this is one of the area concerns -- that the GSR's attend the assemblies and get the message back to their groups.)

Most but not all work is done at all levels of AA by part-time and volunteer workers.

2. Working Together With AA Group Representatives to Intergroups.

The sharing seemed to center around the lack of getting the message from intergroup back to the groups. It seems that the groups that do not have intergroup reps don't participate in intergroup functions. This leaves a segment of AA not informed of any of the functions, pleas for help, new AA literature, or any of the social functions that are put on by intergroup.

3. Let's Be Friends With Our Friends.

The main trend of this workshop was aimed at things the intergroup can do to work more closely with the AA service structure.

- A. AA reps at intergroup meetings.
- B. Workshops on specific topics, using intergroup people and people from the AA service structure.
- C. Have people from PI go to inactive groups and help to bring them up to date.
- D. We all need to apply a great deal more trust and spirituality.

4. Unity - Working Together.

Presentations by Tom J - Acting General Manager
Helen T - GSO Staff Literature person
Susan U - GSO Staff Intergroup Liaison
on what and how GSO can and will be of service to all intergroups.

5. Intergroup Operations/Central Office.

Presentations by Cathy W - Chicago, Illinois
Dave F - Mesa, Arizona
Deanne D - Ft. Lauderdale, Florida
from different parts of the country but all had in common the message - service to groups, help to carry the message to the alkie that still suffers in and out of AA.

6. Pricing and Stocking AA Items at the CO/Intergroup Office.

Most all price their literature above the suggested GSO price. Some do carry other than conference approved literature. Approximately 60% of those present do sell "drunk junk", cups and

medallions, bumper stickers, tapes. Although they sell this, all but one said that they sell nothing that is in conflict with AA's trademarks and logos. Some use a split pricing policy, one for AA's, another for non-AA's, schools, treatment centers, etc.

All were warned to check their home states to see if their intergroup needs to be paying sales tax, or other local regulations.

These are some highlights of the discussions in the workshops. The closing remarks from GSO staff and the Trustees were and are simple, communication, trust our fellow alcoholics, stop duplicating service work, but do continue to work together to we can better reach the alcoholic that still suffers.

I thank North Florida Area 14 for the honor and privilege of being at the Intergroup - Central Office Seminar in Memphis. I know that you have allowed me to grow and affirm my commitment to AA as a "whole", and to know that there are no AA gods or devils, not us vs. them -- only us, working together with patience to carry the AA message of recovery.

May your God bless,
Thanks Again

(ATTENDANCE 67)

GSO ATTENDEES: Tom J , Group Activities Coordinator
George D , General Manager

S.E Regional Trustee, Jackie M gave report on GSO topics that were discussed in N.Y. the previous weekend.

FINANCE:

7% decrease in literature sales. Examples:

BIG BOOK	1990	691,000	1991	632,000
Soft Cover	1990	432,090	1991	416,000
12 & 12	1990	432,090	1991	360,000
Soft Cover	1990	83,000	1991	54,000

DAILY REFLECTIONS SALES INCREASED (given in dollars)

1990	880,000	1991	1,214,000
------	---------	------	-----------

1991 CONTRIBUTIONS

4,154,000	1991	Down from 1990
-----------	------	----------------

Decrease in sales is mainly contributed to large volume purchasers such as Hazeldon. Group purchases remain fairly constant.

Reserve Fund: \$8,574,000

All expenses are closely monitored.

A simplified financial report presentation will be available at the April conference.

The following consist of committee reports:

GV Jackie M chairs this committee.

Profit 1990 \$103,680 Subscriptions down for 1991.

We need to make the groups aware of the use and very low cost of A.A. magazine. Probably the downturn in the economy contributes to the sales being down. An index to grapevine articles from 1944 to 1960 will be presented to the conference in 1992.

A.A.W.S.:

Disbanded self-support committee. There already exists a Trustee Self Support Committee. A project to update and modernize all work-books.

CONFERENCE COMMITTEE:

More sharing sessions at conference. Discussion on more delegate areas based on demographic and geographic considerations. Should A.A. produce medallions? WHY? Finalized agenda for April Conference will be mailed. Conference at Holiday Inn 49th and Broadway.

CPC:

Revising workbook. Recommendations to revise several pamphlets. How A.A. members cooperate pamphlets 6 points defining an A.A. group was overlooked but will be removed.

CORRECTIONAL:

Correction business is booming. Streamline workbook.

LITERATURE:

Lots of work at conference. Inconsistent use of 6 points. All pamphlets not screened. Add new story to Young People pamphlets. A.A. history book manuscript completed and will be presented in April.

NOMINATING:

Many changes. Revised procedure for electing trustee. George D is new General Manager replacing Wayne P.

PI:

A new anonymity letter to be sent to all media. The membership questionnaire question 14 will remain. See Box 459 Feb.-March 92. A new Traditions film is being discussed. A PSA produced by Calif. AA aimed at the young and seniors is being reviewed.

TREATMENT:

Update workbook. Newsletter out this spring.

CONVENTION and REGIONAL FORUM:

International in year 2000 will be Minn./St. Paul. International World Service Meeting Oct. 92 in New York. Special Forum in 1992 at White Horse Yukon. Service structure to be presented at all forums. S.E. Regional forum Dec. 92 in Virginia Beach, Virginia. Spent 30 minutes discussing coffee costs at forums. Some forum costs have been excessive. \$15,000 for N.E.

Several questions were asked and discussion followed. Involvement of A.A. in Bridge the Gap Program. Tom Jasper, acting GM said it has been discussed but no firm answers. NO decisions have been reached. (During my private conversations with past and present delegates, I found that some areas had never heard of this program or those that I spoke to had not)

Resignation/Firing of Wayne Parks, former GSO GM. The entire S.W. forum time was spent on this topic. This was a question that received no answer at this meeting. Some past and present delegates were upset at the method used to get rid of Wayne P.

SHARING SESSION

Several past delegates discussed trustee selection procedures and would like to see some changes.

Retirement fund that is administered by AAWS and GV Board has one member that also oversees the retirement investment. Conflict of interest was suggested.

Concepts are being reviewed to determine if they are relative to the present time. Objection to the non-alcoholic trustee John King as a committee of one to do this task.

Response by Tom J : There are some items that are outdated from 1962 when Bill first wrote Concepts. Bill mentions 4 committees, there are now 11.

Response by George D , present GSO GM: The concepts were written and signed by Bill Wilson. This is the only thing that carries bill's name. They can not be change. Interpretation and use of the concepts is the problem. The organizational and administrative procedures is where we go astray. Spirituality is also embodied in the Concepts. The General Warranties of concept 12 and the Traditions can only be changed with the consent of 3/4 of the A.A. groups.

Letter from Tom D and response from GSO to GSO's label policy was read and discussion followed:

Problem of A.A. directories were added to discussion. Regardless of what we do and discourage the illegal use of labels and directories, if an agency wants a directory or labels, they will find a way to bypass the system. Several examples were given. A request came to the delegate from Tenn. to provide a directory to a treatment facility, which was denied. An A.A. employee provided them one. Similar examples were given. Overall discussion on this topic was excellent. South Florida Delegate agrees to include labels in the same category as directories and have the delegate review each request.

Anonymity: There are so many anonymity breaks by the news media, especially TV. Announcers saying that so and so is recovering, thanks to A.A. Solution: The only thing that A.A. can do is send out the Anonymity Statement or at a personal level have the delegate or PI talk to the individuals or source of the problem.
