

August 31, 1992

TO: NFACAA MEMBERS

FROM: Claire N , Recording Secretary

SUBJECT: July Minutes

I have made a conscious effort to mail the minutes 6 weeks prior to each assembly. Bulk mail is unpredictable, but cheap...hence we have availed ourselves of it. The minutes cannot be completed until the interim officers meeting is held. It is typically held one month after the assembly. The agenda is determined at that meeting and incorporated into the waiting minutes which have been prepared. It takes about another week and a half to finalize the minutes and get them to the printer and affix labels to approximately 650-700 pieces of mail.

The interim officers meeting was held 8/23/92. I had a little stroke the middle of August and have been incapacitated. I want to thank all the people who have helped me with this version of the minutes; Corliss G , Dan E , (Sally E - courier services) Kathy P , Melodie R , Van, Doug F , Lori H . I would not have been able to meet this deadline without their help. Therefore, I request your indulgence in this version of the minutes in their later than usual state.

We are just given lessons to learn from. I have learned from my position as recording secretary that it is all right to ask for help. Ones does not have to do everything by oneself. It is very difficult for me to ask for help. I am grateful for this truth.

RECORDING SECRETARY

The minutes were approved as mailed with the following amendments: (1) Page 2, Grapevine ...Bernice D should read I . Page 3, Central Site Comm.,tenth line: Central Site Comm. is responsible for finding a hotel for the Assembly in 1994-95. Page 3, second column, second paragraph, third line: Fred W stated that he had served for one year on the State Convention Committee not State Advisory Convention. Page 3, New Business: Lori asked for clarification of section. Claire replied that it was a very complex Robert's Rules of Order action and would extract it from the tapes. It is listed below:

"Chair recognized Lori D-14 who asked that two items on the budget be revisited at the request of the group conscious of GSRs of D-14. She said she would list them separately. The first one was to request that we fund either alt del or del to attend the Delegates Meeting in Atlanta. She stated this is a moot point as they have already attended. The motion is made to address future meeting (1993). Seconded; discussion. The vote was restated twice, once by Dan and again by Claire. Everyone agreed that they understood the motion. A vote was taken. It was 82 for 51 opposed. Dan called for another vote and had counters count the raised hands and asked that only those eligible to vote...vote.

Dan asked for group conscious on taking a simple or substantial majority (2/3's vote). There was then some discussion on that point with Dan reiterating the importance of guidelines for NFACAA to clarify this issue so we can be consistent and not take inordinate amounts of time over the 'vote' itself. He spoke to the 'right to appeal' and our concepts as they relate to hearing the voice the minority in this assembly. Izuba challenged the math of the chair. That was resolved by parliamentarian who confirmed that 82 vs 51 was indeed 2/3's majority.

Dan asked if we could move on. Lori stated she had another motion. She made a motion that we rescind the budget approval to send the chair of treatment facilities to the international 'Bridge the Gap' meeting. Seconded; discussion.

Elaine said she was not sure the parliamentary procedure and she made a motion to 'object to the consideration' made a motion to avoid unprofitable questions as we have already approved this budget line item. Ernie, parliamentarian confirmed Elaine motion. Asked for 2/3's vote on Elaine's motion. Dan asked to restate what happened. He stated that in short it was a frivolous motion and that Elaine motion simply stopped the motion before it could go any further. Then stated he would like to 'can it' but instead asked that 'All in favor of that parliamentary play please raise your right hand. The motion is out of order." Dan asked that we moved on to new business."

TREASURER'S REPORT

This report reflects where we stand at our half-way point. Good representation of how expenses ebb and flow. Total income is 5660.52. Income decreasing. Expenses decreasing. Total officer expenses 828.19. \$276.13 postage and telephone include \$175 for mailing of minutes. Duplication and supplies 233.32 (\$180 of which is for Access. booklet). Literature budgeted for treatment facilities \$89.95 (under budget. New expense Signer \$50 per quarter. 4218.46 Total operating expenses. Checking Account \$7650.32. Approved as read. Prudent Reserve \$18752. Application for tax-exempt status sent in; five-year renewal.

Call for treasurer's report to be approved. Chair recognized Alisha T , St. Aug. Oldest Group expressed concern over the amount spent for reimbursed officer expense. She stated she felt many groups do not donate because they think the money is not spent properly and asked that this be addressed in minutes. Dan E. asked that the treasurer, Ken R to address this matter. Ken R suggested that a copy of approved budget might be a help. He offered to contact her and give her a breakdown rather than take up floor time and noted that he would be happy for her to call him. Dan called for a vote if no further questions. Lori Chair holds vote. Lori just restated those are costs are cost members voted to spend for officers to take care business. Dan E reiterated that we are not withholding any information. Vote taken and approved.

DELEGATE REPORT

Tom D expressed his gratitude at having had an opportunity to serve as Delegate the past two years and visit GSO in NY twice in that capacity. The Final Report has not arrived. He will distribute when he receives copies. He read the Conference Advisory Actions on page 3 of Box 459; Floor Actions, Agenda, Cooperation With the Professional Community, Correctional Facilities, Finance, Grapevine, Literature, Public Information, Report and Charter. Growth

The growth and site selection committees met in the same room as their room was made the hospitality room which noone used. It was stressed that the primary purpose is to improve communication from GSO down the the very last member of each group. They recommended that districts defer splitting districts for a year until we see how LCM system works. D-13 has adopted LCM system though they call them DCM and they want to have a vote in assembly. They would like to vote in January. D-14 will go to LCM in the near future.

Bernice I , D-5 stated she was looking into Deland Hilton as a possible 1993 site and if people know of other hotels for 94 and 95 to let her know. Point of information: on 4/7/91 in Jacksonville, Holiday a vote was taken to move assembly to the Steinbrenner. The contract was signed 4-6-91 for the Steinbrenner Inn before we ever voted on it in Jacksonville. Chair stated "so noted."

Neil B , D-5 thanked Chairman for the way he conducted committee reports. Made a motion that on election assemblies to hold business meeting Saturday night and the election Sunday morning. Seconded, passed.

Howard proposed that we involve past-delegates in our assemblies and that they do workshops on Service Manual. Dan E stated that we do not want to lost past experience of past-delegates. At next officers meeting we want to implement a standing meeting where delegates give workshops on Service Manual as a non-funded contribution.

Tom D requested and made a motion that we fund \$400 to send Brian S, Accessibilities to the Forum in Virginia Beach, December. Seconded. Motion amended to \$480. Discussion followed.

Bernie asked if there are plans to provide Braille Big Book for accessibilities. Dan said with all due respect could you present this in the form of a motion later. There is a motion on the floor. Call for a vote. Count of hands. Motion passed.

Alisa apologized for her former statements and made motion that financial reports be sent 2nd quarter and the end of the year to members. Discussion followed. Motion seconded. Minority opinion stated by Carol who felt present manner of doing this is fine. Call for vote. Passed. Howard said Dan did not ask for those opposed. Roll call, vote taken. Vote failed.

Judy P - minority opinion - Ken can give you this information with the push of a button. All of this is computerized.

Dan explained how the SE Regional Forum works. Ask for motion to make terminology change for the funding approved for del elect to attend Forum. It now reads for the delegate to go. The delegates expenses are already in place to go. Seconded. No discussion, carried.

Dan asked for standing amount of \$200 appropriation for chair to represent NFCAA at the State Convention. Chair is required to be there and serves as chair of business meeting on alternate years. Chair is standing member of the advisory Committee. Seconded. A lengthy discussion followed bringing up points about persons paying their own way vs convention paying their way, the importance of the chair being there because we have a vested interest so that AA does not become diffused. Motion carried to fund chair.

Feral expressed concern about Robert's Rules of Order of 2/3 be paid attention. Could more attention be paid to dissenting vote. Chair stated "so noted."

Lengthy discussion followed about finances and how the budget works. Persons were urged to attend finance committees.

At noon, Dan said it was time to continue and to have folks stand for office. Delegate, Alt. Del, Chair, Alt Chair Rec Secy, Corr Secy, Treas. are positions to be stood for. Any other eligible persons may stand in Oct.

Sherry- Service Manual does not include committee members as eligible. NFACAA voted 8 years ago as a guideline for our area that be acceptable. Also eligible for delegate.

Unfortunately, Judy's comments are lost. Her voice is not discernible on the tape. I believe she read about the third legacy in the Service Manual. I could not hear from the podium. At this point Dan asked that persons please speak into the microphones. Mark R. read from page S-39 - "Conference Language." Scott said that these are suggestions and cannot any member of AA run. Dan replied suggested; recommended.

Dist. 21, Kathy P sitting in for Claire

Dan announced this would be the last Officer's meeting he would be chairing as the new Chairman will be present in November. Our next Assembly is October 2-4 and the business meeting will be Saturday evening 8pm-10pm, voting to begin 9am Sunday, October 4, 1992. Kathy reported that Claire asked that anyone who stood for office please restate qualifications in writing so Claire may add to the minutes since the tape was inaudible. Dan will notify candidates not present at this meeting.

Dan gave a short summary on where we have been in the last two years and talked about the growth issues and challenges that are facing us in the future.

Ken gave treasurer's report: Income \$3,177.63, Expenses \$4,063.64, checking account balance \$5,937.07, this was for the nine months ending September 30, 1992. The two areas of concern for Ken were our Tax Exemption and reimbursing South Florida for the inmates that traveled to the State Convention. Ken is doing all he can with the Tax Exemption problem and is proceeding with caution and diplomacy and will report to the Assembly on the outcome. We have a Corrections Budget so the letter Ken received from South Florida will be given to Bernie so his committee can handle the reimbursement in the manner they deem necessary in line with their Corrections Budget.

Review of October Assembly-Corrine reported Districts 6,13,28 will be hosting and Debbie W is in charge of the voting and will be using Past Delegates for the counting procedure and has plenty of volunteers for the voting tasks. Dan will contact a Past Delegate to chair the voting segment of the Assembly. Discussion followed on who can stand for offices and it was agreed that the Service Manual will be followed and this will be announced at the Saturday night meeting so people can refer to the Service Manual on Saturday night if they question the procedure.

Kathy reported that The Structure and Guidelines will be announced again in October so DCM's can give comments back on the proposal. Corliss and Kathy will return with final draft for voting at the January Assembly. The budget will be voted on at the January Assembly and Tom D. of the Growth Committee reported that District 13 has a proposal on the DCM/LCM method that will be voted on in January also.

Bob gave report on Treatment and Bridge the Gap, going to Arizona underbudget. Howard reported Intergroup fine, underbudget. Pat reported on P.I., mailing went out for Big Books, PI will be showing "AA Rap with Us" and doing a skit at the next Assembly.

How do we fit the Service Manual in current agenda? Corrine will work with her committee on this. We may be able to use Secretary-Treasurer spot on the agenda. Site selection will also be working on site for 1994-95. Discussion on central location and site selection, these will be topics for the new officers.

Dan thanked all the officers and committee chairman for their collectively supporting one another and the cooperation given to him as Chairman. He reviewed visionary approach and gave his predictions for the next 5-10 years in AA in Florida. Discussion on the need for a fact sheet about the work we do at the Assembly level, the importance of communication, suggested Dan write a closing year letter. Meeting ended 2:30pm with the Lord's Prayer.
