

MINUTES OF THE THIRD QUARTERLY MEETING OF THE NORTH FLORIDA
AREA CONFERENCE OF ALCOHOLICS ANONYMOUS
JULY 17, 1994

General assembly meeting called to order by Chairman, Fred W [redacted] at 9:00 a.m. with the Serenity Prayer.

CORRESPONDING SECRETARY Howard S [redacted] called the roll. Officers and Committee Chairmen present. D1-6, D3-5, D4-1, D5-5, D6-3, D7-9, D8-4, D9-8, D10-7, D11-4, D12-9, D13-3, D14-8, D15-7, D16-1, D17-9, D18-10, D19-9, D20-10, D21-4, D22-0, D23-4, D24-1, D25-4, D26-1, D27-0, D28-8, D29-7, D30-5, D31-5, D32-6.

RECORDING SECRETARY Corrections to the schedule mailed out in the minutes. The GSR meeting and DCM meeting should have been listed at 4:00p.m. " Motion to accept the minutes as mailed with the above correction." Motion carried. No opposed.

TREASURER'S REPORT Ken R [redacted], Treasurer reported \$6,421.44 income for the qtr, operating expenses were \$5,971.40. Ken went through a breakdown of Delegate expense, officer expenses, and host expenses. These expenses are listed on the attached Second Quarter report. Our checking account balance is \$12,746.39 and our prudent reserve is \$19,648.70. Ken did receive a check from Jennifer's group but has been unable to identify group or district, if anyone knows a group treasurer named Jennifer please ask her to notify Ken. Motion to accept the Treasurer's report. Motion carried. No opposed.

Mark, Dist.18, Clarification on yesterday's decision to hear motions from the floor mike. Fred Walker, Chairman, stated that he will only accept motions from the floor mike, due to the confusion at the last assembly. Any motions, even to call the question, need to be made from the floor mike. At the next assembly we will have an aisle cleared for that purpose. Please speak into the mike because this room is very big and we all need to hear the motions. Also a housekeeping item from the officer's meeting, the name of the DCM/Officer's meeting is changed to, "North Florida Area Committee". The Committee consists of all area officers, committee chairs, and DCMs.

DELEGATE'S REPORT Tom gave a brief update on what is happening since his trip to New York. The Southeast Regional Forum will be held the first weekend in December in Biloxi, Mississippi. The details on the hotel will be out on the registration forms and Tom will share this information when he receives it. There will be many staff members from New York on hand that weekend. Sales of literature are up and expenses are down. Group contributions are in line with the current budget. Tom has bi-lingual order forms for any Spanish speaking groups that

may need them. Tom gave his report on the April Conference. Tom submitted this report to the Recording Secretary and those six pages are included in the minutes. Please see- DELEGATE'S REPORT.

ALTERNATE DELEGATE Dan El reported on his trip to Atlanta in February. Dan stated that during a collective session the consensus was that outside groups that are printing our literature may be just the tip of the iceberg. This is not going to stop. Many profound speakers shared that we must choose not to let these outside companies have our dollars. Vote with your dollars so that those outside the fellowship will stop printing these books. Today the words are as written, but how long will it take for a slightly different twist to be added? We need to go back to the groups and begin to vote our dollars on A.A. literature in support of Alcoholics Anonymous.

Fred W , "At this time we would like to recognize, Pat D , South Florida Area Delegate, and Diana H , South Florida Area Alternate Delegate and Grapevine Chairman." This was a wonderful opportunity for the North Florida Area. Also recognition for District 7 who hosted our first assembly here at the Ramada Beach Resort, they did a fine job.

COMMITTEE REPORTS

ARCHIVES 25 in attendance. Heidi F , Chairman. A discussion on establishing archives in a district or a group. GSO provides a guidelines booklet to anyone interested. Contact Frank Mauser at GSO. Heidi handed out a one page guide. Heidi showed those present several interesting items contained within the NFAA Archives collection.

The NFAA has worked hard to carry the message to the still suffering alcoholic and it is evidenced through GSO publishing placard, pamphlets, and letters of thanks to NFAA. The book of resolutions was discussed and the technical problems associated with getting the book put together. Question was asked by Cathy about the historical value of the 1993-94 Service Manual because of the change to not having the logo. Does any one person have a Service Manual collection to contribute to the Archives? Please just notify us if you do. Thanks to Marie B., past Archive Chairman for contributing recorded cassettes of our Past Delegate interviews.

ACCESSIBILITIES Chairman, Dennis C , Alternate Chair, Kenny T., 16 in attendance. We are updating our committee listing. Discussion on suggestions for a contact person for the deaf in Daytona. Suggestions: call blind center or Vo-tech, call National Association for the Deaf or your local

college. Suggestion to invite signing students from local schools to our meetings to sign. GSO resources are listed in the literature order book and also our accessibilities pamphlet.

Discussion on the problems for Accessibilities at this hotel. P.I. meeting area, ramp incline too high. 1" lip on doorway, ramp moved. Loose tiles in bathroom[mens] at the end of the first floor. Doors hard to open and the step in diningroom is dark. Liason from this committee will work with the site selection committee to insure compliance with the codes. Kenny (Alt. Chair) will do this until another member is available.

C.P.C. 54 in attendance. Brian S , Chair, Judy P , Alt. Chair. Brian distributed 500 copies of another information sheet, sent by the Oregon A.A. who sent us the Bluesheet. Brian also distributed 200 more Blue sheets.

The workshop divided into four groups and each group discussed one of the following questions: 1.) How can we improve communication between CPC committees and our professional community in the NFA? 2.) How can the Area help the districts more and vice versa? 3.) What would be some new ways for our area committee to carry the message to the sick alcoholic other than displaying booths at conferences? 4.) What are some different populations of professionals to target for helping the sick alcoholics?

Suggestions: question 4.-human resource administrators, legal aide, court rooms. Scott mentioned checking with the Chamber of Commerce which promotes a packet called Business Against Narcotics and Drugs(Band) and we can give them information regarding A.A. being for the recovery of alcoholism. Ben of D23 suggested police associations, lawyers, judges, clergy, hospitals, fire departments, treatment facilities, and emergency medical technicians.

Ernie shared what has been happening in district 12 with literature racks in the courthouses. Someone suggested talking with MADD to find out which judges send people to AA and thus contacting this judge with CPC ideas. The video, "AA Rap with Us" for juveniles, or "Hope" for DWI schools. Always leave meeting lists and phone contacts for newcomers.

CORRECTIONS 55 in attendance, Poppa Joe, Corrections Chair., Alt. Elmer C. and Alt. Charlie R . The Florida State Convention was great. We had two Corrections Workshops. The NFAA contributed \$400.00 to South Florida Corrections for the inmate fund. South Florida manned a 24 hour hospitality room.

North Florida Corrections voted to take inmates to working workshops only. These workshops will be put on in several locations in North Florida. This would be for inmates who have a year or more of good sobriety.

We discussed problems with D.O.C. and with outside sponsors at Lake C.I., New River C.I. and Sharpes. There will be a Corrections Workshop in Merritt Island on September 17 at 1:00 p.m. to 5:00 p.m. There will be a workshop in Kissimmee in October or November. The Police Academy in Marion County likes the Blue form we got from Brian. They would like someone for an hour or two in each class they have. There will be a dance at the Eastside Club in Orlando August 12, 1994, which will be for Corrections literature.

GRAPEVINE 55 in attendance. Charlotte B , Chair. A short discussion on a letter from the N.Y. Grapevine director, Chuck Crest, presenting the "One copy at a time." A copy was sent to all GVRs. More information will be needed and bugs will need to be worked out.

We were very fortunate to have Diana H , the Alternate Delegate for South Florida and Grapevine Chairman, with us at our workshop. She gave a slide presentation on the history of the Grapevine that was very informative and interesting. Diana told us about the possibility of a newcomers issue which we will hear more about later.

Dianna also gave several ideas to promote the Grapevine. 1. Make a presentation with portable boards made up by the GVR. 2. Use the Grapevine as anniversary presents. 3. Send subscriptions to doctors offices and libraries. 4. Most importantly, be sure and read the new issues of the Grapevine so you will be able to share and pass on the information. Charlotte thanked Diana for coming and sharing with us this weekend.

INTERGROUP 62 in attendance, Chair, Marlene S , Alt. Chair, Ginnie S .

Upcoming Workshops were announced: Dist. 11, Saturday, July 23, 1-4 p.m., The Homegroup/Sponsorship.

Dist. 15, Saturday, Sept. 17, 1-5 p.m., Correctional Workshop.

Dist. 8, Sunday, Sept. 11, starting at 1:00 p.m., Public Information-workshop will focus on Singleness of Purpose.

Marlene passed out forms for the Intergroups to complete with topics for this year's Intergroup Seminar and mail back to her. Cynthia from GV office called for information on B.I.I. There will be an article in the Grapevine later this year on Intergroup. We also discussed NFAA having

Intergroup as a standing committee. In Leesburg visiting the groups has been very beneficial to Intergroup. Attendance at Intergroup meetings has increased significantly.

At the October Assembly we will have a Longtimers Sharing Session, anyone who wants to participate contact Marlene at Brevard Intergroup. The main discussion was on the hot-line and various offices shared how their worked. Some have volunteers and some use a combination of volunteers and a commercial service. The volunteers depend on the size of the area. The shifts ranged from 3 hours to 12 hours. Some thought beepers would help the volunteers. Judy shared that sponsors needs to tell their sponsees to get involved in service work.

The caller I.D. attachment on phones could be a problem for 12 step workers, in one area if you dial *67, this will block caller I.D. Newsletters were discussed as an attendee wanted some input regarding their contact, etc. Everyone was very generous sharing their experience.

PUBLIC INFORMATION Attendance 60, Dave W , Chair.

Dave reviewed the article from the June/July 1994 issue of Box 459. it contained a brief summary of P.I. actions and a staff report from the Annual Conference in New York. He noted that the four items which were discussed were the same issues he had been informing us about at past Area workshops. These issues had been reviewed by the Trustee's P.I. Committee and the Conference P.I. committee. One item became a Conference Advisory Action.

Dave then introduced his guest speaker, George C , past P.I. Chairman for the NFAA and past Alternate Delegate. George's topic was Singleness of Purpose, especially as it relates to P.I. work.

George opened by noting that P.I. targets not only the public outside of A.A., but the "public" within A.A. who need to be educated and informed about A.A. history and the development of the Traditions and Concepts. George illustrated how A.A. has always depended on the good will and help of non-alcoholics to help us pass the A.A. message on to those who would receive it. He went through a substantial listing of people and A.A. history to demonstrate how the focus of these efforts has always been solely on alcoholism and recovery. He did mention that in it's earliest history, there were many attempts from within A.A. to take on other issues plaguing alcoholics, but that doing so usually resulted in failure and dilution of what we were originally hoping to accomplish.

George reviewed headlines from a number of newspaper articles printed over the years pointing out that the focus

of the articles was always on one subject: alcoholism. George summed up by reviewing the various aspects of P.I. work: working with TV, radio stations, newspapers, providing public speakers and displays, and keeping the fellowship informed.

In the time remaining Dave took questions. One person asked whether he could duplicate individual tv PSI's off the video cassette he bought from New York onto shorter single cassettes to get more mileage out of his district's PI dollar. They would then be able to get more tapes to more tv stations in Brevard county. Dave responded he could not, in good conscience, recommend duplicating materials from GSO. Other options are available, such as rotating a few tapes among many stations, but the decision is with the district's group conscience.

TREATMENT FACILITIES 60 in attendance, Debbie W ,
Chair.

The meeting was started by passing our NFAA map with the areas highlighted who have temporary contacts in place. We still have several areas without contacts. If anyone knows of anyone in their area who is looking for something to do, please suggest treatment facilities committee in their district.

Neal passed out some materials to aid people in acquiring volunteers and forms for volunteers to sign up on. We had a great sharing session discussing many problems and offering some good solutions.

SITE SELECTION 11 in attendance, Corrine Fail, Alternate Chair. Reviewed that "Hosting an assembly" and "Guidelines" are products of the site selection committee. Corrine handed out copies of GUIDELINES FOR HOTEL ACCOMMODATIONS for NFAA and it has a red cover that says TOP SECRET, so everyone will want to read it.

We need hotel options for 2 1/2 years from now. Anticipate growth as well as the pricing increase. About 600 persons are expected to be here this weekend. Review of current hosting districts. District 7 did a great job this weekend and have volunteered for the October 1995 assembly. Our October 1994 assembly will be hosted by District 19. January of 1995 will be hosted by District 12, 15, 23. April of 1995 will be District will be district 6,8, and 32. July 1995 will be hosted by District 5.

We need to encourage people for 1997 - 1998 to host and to come forward with ideas for bids. Ideas to invite non-committee members to participate in these committee meetings and encourage committee members and hosting districts to

share with others how they enjoyed the experience of hosting.

GROWTH COMMITTEE 9 Committee members present, 34 in attendance. Bob L. , Chair.

The first order of business was to propose an amendment that would provide reimbursement for the Growth Committee Chair and Finance Committee Chair. This was carried and a proposed amendment will be sent to the Chairman.

Secondly, we were asked to consider the formation of a Literature Committee by Tom D. our Delegate. This motion was carried unanimously to recommend the formation of a Literature Committee as per GSO Guidelines.

Thirdly we were asked to consider multiple D.C.M. districts. Bob L. our Chair read the revision to page 552 of the Service Manual provided by Tom D. A lively discussion followed. The committee made no recommendation. Thank Azuba for the minutes and Steve W. helping as alternate chair.

FINANCE COMMITTEE Dick G. , Chair, 19 in attendance. Ken R. gave the Treasurer's report. Before this meeting the proposed budget was given to the DCMs and Committee members.

We have some motions to recommend in October. It is recommended that at the October assembly on Saturday night we vote on the proposed budget, line item by line item. We will recommend a motion to raise the Delegate expense for the 1995 International Convention by \$1,000, so the body will vote on \$1000 to \$2000.

We will recommend that the body vote on raising the gas mileage from \$.12 to \$.20. This passed in committee 8 to 1.

Motion to help pay for the Florida Hospitality room at the International Convention. We will recommend our participation be \$1,000. Passed in committee 4 to 2.

Motion to submit 1995 Proposed Budget as amended passed 8-0. Motion to reimburse expenses for the South Florida Delegate attending our assembly this weekend. Passed 6 to 2. This will be voted on under New Business today.

The proposed budget will be changed to reflect these motions. Dick will send a copy to the Recording Secretary to be published in the minutes. If you need more time for debate in your groups then make the changes on the proposed budget that was handed out.

OLD BUSINESS All DCMs should now have a copy of the Structure and Guidelines. If not, see Fred for your copy.

NEW BUSINESS

Neal B , DCM Dist. 5. Neal explained the problem Tallahassee has been having with the distribution of the IWS red book. Neal read the letter that District 5 is sending to A.A. World Services Literature Committee. The letter requests that we price our book (the AA soft cover little Big Book) more competitively. Neal made a motion. "That the North Florida Area join in our request to World Services Literature Committee with this plea." The motion was seconded. Elaina, "Don't call the vote until we hear discussion." Sue, "point of clarification." Neal explained that Dist. 5 is asking for the support of NFSA in their request to the Literature committee. This request concerns only this one piece of literature referred to in Dist. 5s letter.

Fred, "Did you mean an endorsement from the area for your protestation." Neal, "Right." Mark, Dist 18, asked that if we do vote for the motion that the spelling of accelerate be corrected and the price in the letter be changed to reflect the latest price. Mark received the latest price list this morning. Discussion followed on the pros and cons. Tony, Dist. 14 called the vote. The motion to call the vote (or call the question) carried. 3 opposed, minority opinion heard.

Neal's original motion, "The North Florida Area join our request to the Literature Committee to review the price of our soft back 'Little Big Book', with corrections to the letter that Mark suggested." Motion failed. Minority Opinion given by Alica D., she voted to give endorsement and believes we should speak as a group in unity. "Lets not water down the program."

Tom D. our Delegate needs to know whether we want a 3rd edition to the Big Book written with stories added. Sense of the meeting 60% for, 40% against.

Dick G , goes directly to the floor, recommendation from the Finance Committee, "To reimburse the South Florida Delegate for attending this assembly." Motion carried. 2 opposed. No minority.

In the future we will try to budget these items.

Debbie S , "This hotel does have children's activities, so report this to your GSR's with children and maybe more GSR's will be able to come." Debbie held up copy of hotel's calendar of events for children. The hotel contact is Mrs. Lark.

Fred announced that many people have expressed an interest in serving as Committee Chairman, please submit a one page resume to the Chairperson elect. DELEGATES REPORT

44th GENERAL SERVICE CONFERENCE

The 44th General Service Conference was held at the Holiday Inn Crowne Plaza in New York City during the week of April 16 thru 23 1994.

First I would like to share a few things that occurred that were not an official part of the Conference. Last year, after the Conference, the Delegate from Washington DC requested that a all day sharing session be held during Conference Week, the request was shortened to three hours on Wednesday morning, the session was titled "What's On Your Mind", the topic that was predominate was "TRUST AND LOVE". Prior to the sharing session, there was some mistrust between the Delegates and the Service Boards resulting in a feeling of this will be a Us & Them Conference, during the sharing session, it became a "WE: Conference, resulting in harmony, trust and love the rest of the week. On Friday, the last order of business at the Conference was a Floor Action to make the Conference "Non-Smoking", the Delegate from Western New York stated that she was an asthmatic and had a problem with smoking at meetings, but she finds ways to tolerate smoking, and that she felt that we should not penalize the smokers because of their addiction. The result was that the Non Smokers voted 75% against the action and it was resoundingly defeated. On Saturday afternoon, after the Conference was over, we were Taken on a tour of "Stepping Stones", Bill and Lois's home in New Bedford, I recommend that if any one in the fellowship has the opportunity to go to New York City, that you schedule a trip to Stepping Stones, also to the General Service Office.

The following are a list of the actions taken at the Conference and results of the vote: (A complete list of all cations, word for word will appear in the Final Report)

FLOOR ACTION #3 (submitted by Virginia Area Delegate)
To establish a Conference Committee on Archives.
(Deferred to Trustees Committee on Archives)

FLOOR ACTION #4 (submitted by Western Mass Delegate(31)
Move that in the interest of health considerations, the
1995 GSC be made non-smoking, with a designated room
for those who wish to smoke.
(defeated)

Your Delegate was asked to chair a workshop on "Spirit
of Sacrifice", divided into three questions:

- a) Where have we been?
- b) where are we now?
- c) where are we going?

We ran over the allotted one hour limit, but the participants
decided to continue an to completion, you can see the results
in the final report. I was also asked to chair the 7:30 AM
AA meeting of the GSC Serenity Group, enjoyed it very much.

I have decide to have this report printed in the minutes
instead of going thru the whole thing line by line at the
Sunday business meeting, this way all can read the report.

Tom D

ADDENDUM TO DELEGATES REPORT

REPORT ON FINANCE

G.S.O. gets its income from two sources: literature and contributions. Last year we had net sales of literature of \$9.3 million, the second year in a row. It cost just under \$3 million to print and manufacture these books and pamphlets. We paid \$956,000 in royalties on the four books that Bill W. wrote. In addition, we paid \$834,000 for shipping and warehousing these books. Literature income before operating expenses was \$4.5 million.

Contributions were \$3.8 million in 1993, down for the third consecutive year. We spent \$5.3 million on services to the fellowship. The bottom line was a deficit of \$1.4 million in services. After adding publishing net income, we had a \$710,000 profit at G.S. O., which was transferred to the reserve fund.

Service spending last year amounted to \$94 per registered group. Contributions were \$68. If each group had contributed \$26 more in 1993 — that is 50 cents per week — well, you get the picture. Contributions covered 72% of service expenses, and literature income covered 28%.

Lets see where the \$5.00 selling price for the Big Book goes: On average, 21 cents goes for discounts. It costs \$1.54 to manufacture; 49 cents goes to royalties, and 43 cents for shipping and warehousing. That leaves \$2.33 for G.S.O. \$1.22 of that goes for publishing office expenses, leaving \$1.11. Last year 74 cents, or 15% of the \$5.00 sales price, went to support services to the fellowship, and 37 cents went into the reserve fund.

Last years service dollar was spent on the following activities: Group Services 43%; Public Information 4%; CPC 6%; Treatment Facilities 2%; Correction Facilities 4%; Loners and Internationalists 2%; Overseas Services 7%; the General Service Conference 14%; and 6% each on Regional Forums, Archives, and trustees expenses.

Right now, the Reserve Fund amounts to \$8.7 million, which in our more human scale is \$156 per AA Group. It represents 11.7 months of combined Grapevine and GSO office expenses.

REPORT OF THE AD HOC COMMITTEE ON IDENTIFYING MARKS AND COPYRIGHTS

The ad hoc committee unanimously recommends the following be considered by the General Service Board as additional guidelines to the policy developed by AAWS:

1. That AAWS follow the policy on identifying marks and copyrights as guidelines until the 1996 Conference

allowing time for the Fellowship to consider the concerns surrounding this issue. And, this policy be reviewed at the 1996 Conference.

2. that information and questions about these issues be furnished to the Fellowship at large and input be sought from the group level. Regional Forum workshops and Delegate Presentations within their area could be possible avenues for dissemination of this information. Specific questions should include our society's responsibility to AA's intellectual properties, basic message and the AA name itself.
3. That litigation is a matter for thorough and cautious consideration and should not be undertaken without consultation with the General Service Board.

REPORT: RECORDS UPDATE

It is necessary to reassign Group Service numbers; changing from what we know as "D numbers"(D#) to a system assigned plain vanilla sequential numbering system.

We are taking this opportunity to give the Fellowship notice through the service structure; additionally, there will be a small article in Box 4-5-9. Effective July the new numbers will be included on the quarterly statements and all mailing labels. The Directories scheduled for late summer will reflect the new D#s, as will the area diskettes.

Primarily though, over the years, the integrity of the numbers has been severely compromised. A cursory investigations has revealed hundreds of duplicate numbers as well as hundreds, if not thousands, of numbers that are no longer representative of their original entities.

For your information areas and district numbers will continue to appear to the right of the service number, therefore no associated functionality will be lost in the reissuing of numbers.

REPORT: 1995 INTERNATIONAL CONVENTION

We will meet in celebration of AA's 60th Birthday at our international convention in San Deigo, CA. **"AA Everywhere-Anywhere"** is the theme for the convention.

We will kick off on Thursday evening, right outside the Convention Center, with a Harbor Block Party, all along the waterfront to Seaport Village and beyond.

At midnight Thursday, two major marathon meetings get underway- one in English and one in Spanish- and run continuously until Sunday morning. There's a dance right at the Convention Center, and another just a walk away at the adjacent Hyatt Hotel.

Friday night at the Jack Murphy Stadium will mark the Opening ceremonies, complete with a parade of flags from all participating Countries. Saturday we'll have an Oldtimers Stadium Meeting, and Sunday morning the customary Closing Meeting at the Stadium. Shuttle buses will be available to and from the Stadium for all events, the Convention Center and any other Convention Sites.

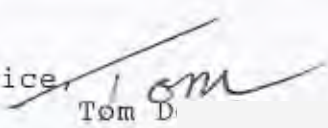

Registration/Housing forms for the Convention will go out around the world in late August 1994. Groups, Delegates, Central Offices/Intergroups and other GSO's, all receive forms, so as to better reach AA's who want to be there in 1995. Registering and assigning housing will begin six weeks after the completion of the worldwide mailing. Because thousands upon thousands of completed forms will be returned simultaneously, housing will be assigned randomly, as closely as possible to the desired price range; it is the only way to be fair. regardless of the vagaries of mail delivery and return-from anywhere-across the street or across the world.

Dormitory housing will be available at the San Deigo Universities, with budget package rates described on the Registration forms. The Registration form will also provide contact information for those seeking RV and campsite locations.

The registration fee for the International Convention will be \$65.00 for preregistration, and \$70.00 for on-site registration. Registration covers the entire cost of putting on the international convention, which in keeping with our Seventh Tradition and previous Conference Actions, must be self supporting. No group funds are used for this AA event.

For the family members and loved ones that belong to Al-Anon or Alateen and will accompany us to SAN Deigo, the Concourse Center downtown, as well as the adjacent Doubletree and US Grant hotels, will offer daytime meetings, workshops, marathons and other events.

With Love In Service,

Tom D.

DELEGATES REFLECTIONS

We have nearly completed three quarters of the year 1994, and have seen the persons that have decided to stand for office at the upcoming election in October 1994. I sincerely hope that we will see many more members stand up at the election and declare themselves ready to serve A.A. at the Area level. We should also have a new group of DCM's and GSR's with us at that time, hopefully we will be able to let them know the large responsibility that they have undertaken. They will not only be representing thier respective Districts and Groups, but A.A. World Services as well, it is my hope, that with the knowledge we can impart to them that they will do their jobs with the feeling that they are a part of the whole fellowship, working together to bring sobriety to those still suffering, no matter where they may be.

A lot of good things are taking place in the fellowship today, we are doing our best to prevent outsiders from diluting our message by publishing books and pamphlets for consumption by the fellowship, we must be ever vigilant that our copyrights and trademarks are not infringed upon. As you all know, we will do all possible to protect our trademarks and copyrights, and are in the process of doing so on an on going basis. Let us hope and pray that we do not have to enter into litigation in this protection process.

We have had our first Assembly at our new location, which we will be at through October 1996, I know that the Hotel has welcomed us with open arms, and we should return this with our appreciation for this beautiful facility.

With Love In Service

Tom De
